Aurora, Wildlife & Autumn in the Barrens

Join us for six days of extraordinary adventure that will immerse you in the awe-inspiring barren lands while, captivating you under the canopy of the night sky. This workshop takes place during prime aurora season, while vibrant autumn colours blanket the barrens. The macro opportunities are abundant and possible wildlife sightings may include: caribou; grizzly bears; wolves; moose and various bird species. Each day you will be in the field hiking and/or travelling by boat to awe-inspiring vistas, giving you the freedom to pursue photographic opportunities as they arrive. Enjoy dark star-filled skies away from city lights as you see the aurora dancing across the night sky and cast reflections on Point Lake. This workshop is led by professional photographer Cheryl Stewart who will offer advice and share technical information in a way that is easy to apply to help you get the photographs you want.

5 NIGHT/6 DAY ITINERARY

Day 0 – Arrive in Yellowknife

Please ensure you arrive in Yellowknife at least one day prior to your flight to the lodge. Arriving early will not only provide you additional time if you experience flight or baggage delays, it will give you the opportunity to meet fellow travellers, your photo lead and explore the Yellowknife area with our trip extension package options. Please be sure to ask us about these value-added options.

Day 1 – Flight to Peterson's Point Lake Lodge

One of our friendly representatives will pick you up at your hotel to drive you to the Air Tindi float base. While luggage is weighed and the plane is being loaded enjoy a lakeside complimentary continental breakfast & celebratory beverage before your scenic float plane flight to Peterson's Point Lake Lodge. Upon your arrival, our team will provide an introduction and safety briefing over lunch. After a guided tour of the lodge and getting settled into your assigned cabin there is time for a nearby hiking excursion.

Day 2 - 5 – Daily Excursions

Your days will include guided hiking and boating excursions, where you can walk in deeply entrenched caribou paths or climb rolling hills and sand eskers - always on the lookout for wildlife, intricate macro creations, colorful landscapes and sweeping vistas. Your workshop leader will be alongside to assist with camera settings, composition advise or any help you may need, moving along at your own pace. Evenings may be dedicated to photo reviews, critiques and instruction, depending on group dynamics. Weather permitting, nights will be spent fine tuning aurora photography skills, milky way photography, light painting or stargazing. Spectacular early mornings sunrises may also have you waking early to capture these moment too. Day and night-time activities will be adjusted to conditions, along with, the energy and feedback from the group.

Day 6 – Final Day, Departure & Goodbyes

This is last day of your workshop. There's plenty of time to photograph the sunrise and enjoy a leisurely breakfast before packing for your return flight to Yellowknife. Upon your arrival you will be met by a member of our team to transport you to your hotel or airport.
