SIZING INFORMATION/BRANDS - SELECT THE RIGHT SIZE

We encourage you to submit your clothing rental booking form as soon as possible to ensure we have your size. Please note that we have limited sets of winter clothing and we do our best to provide you the requested size, if your first choice is not available we will provide the next best size. We invite you to share your weight and height with us - this information helps us to confirm the most appropriate size.

Please ask if you need assistance with choosing the correct size. Our parka rental brands include Canada Goose and Outdoor Survival Canada (OSC). Please note that sizes/brands may be substituted if first option is not available. OSC Parkas are very comparable in warmth to the Canada Goose brand and are excellent. We also rent Baffin boots in addition to Sorel brand.

RESERVING YOUR CLOTHES

1. Complete the winter clothing rental booking form with your sizing requirement. Please use one form per rental/person. If need be, please save the blank rental form and then complete as many forms as your group requires. Email all of the booking forms to info@mybackyardtours.com. We suggest for larger group orders (8+ people) create a table with the names, gender and sizing requirements.
2. Date, print/type and sign the Winter Clothing Rental Agreement Terms and Conditions.

CONFIRMATION OF YOUR ORDER

After we receive your completed form (s) we will send you an email to tell you if we can fill your order. Please note that your order is not confirmed until this time. **Once we confirm your order, please call our office with your credit card information. Credit card information is required for security on our clothing rentals for lost, damaged and/or unreturned articles of clothing.** Card information may also be used for payment.
