SIZING INFORMATION/BRANDS - SELECT THE RIGHT SIZE

We encourage you to submit your clothing rental booking form as soon as possible to ensure we have your size. Please note that we have limited sets of winter clothing, and we do our best to provide you with the requested size, if your first choice is not available, we will provide the next best size. We invite you to share your weight and height with us – this information helps us to confirm the most appropriate size.

Please ask if you need assistance with choosing the correct size. Our parka rental brands include Canada Goose and Outdoor Survival Canada (OSC). Please note that sizes/brands may be substituted if the first option is not available. OSC Parkas are very comparable in warmth to the Canada Goose brand and are excellent. We also rent Baffin boots in addition to Sorel brand.
